Guest Speaker this Sunday, September 12

Jeff has served as the Executive Director of Mission Centers of Houston since April, 2016. Prior to being called to Houston he and his wife, Cheryl, served in various staff ministry positions in the local church, ultimately planting and pastoring a church in Richmond, Virginia.

Jeff began full time ministry in 2003 after working for over 20 years as a petroleum engineer in various staff, management, and executive leadership positions. He has an M.S. in Petroleum Engineering from West Virginia University and a M.A. in Religion from Liberty Baptist Theological Seminary. Cheryl and Jeff have been married for 44 years, have two children and three grandchildren. They are members of the Woodlands First Baptist Church where they teach a young marrieds class.
