

Music Notes

Our musical start to the Fall has been anything but slow. We have been blessed with good numbers and some fine musicians who helped get things off to a good start.

Our **Student Choir** has already completed an off campus ministry concert at Colonial Oaks and is diving into new music for their Music and Ministry trip to DC. Since DC will be an expensive endeavor, we are offering a fall and spring youth choir workday. Thank you ahead of time for your help and encouragement.

Our **Adult Choir** has just completed their leadership in our special morning of worship, September 22. I hope you were able to enjoy it with us. This group now turns towards seasonal anthem preparation that takes place each Wednesday evening at 7 p.m.

Our older combined **Children's Choirs** have shared in worship and are preparing music for December 22 at our Sounds of the Season Christmas concert at 5:40 p.m. followed by hot chocolate and Christmas cookies. This group rehearses Wednesdays, 6:15-7 p.m.

Come fall into place with us and get in on the fun. We have a place for you!

Notes From Jeff

Patti and I are in Ireland as I write this taking some vacation time. We are really enjoying ourselves.

We were saddened to see the devastation that Tropical Storm Imelda brought to the Houston area. I have already received Disaster Relief call outs for volunteers. Our prayers are with you, and I will be ready to help when we get back.

Student Ministry Intel

The SMBC Student Ministry is looking forward to the blessings that lay ahead! Our Sunday night Bible Study "GLOW" asks the BIG questions prevalent in student culture today and looks to God's Word for the answers. It is mind probing, thought provoking, and provides an excellent atmosphere for students to submerge themselves into the Bible for the truth.

Several events and activities are on the calendar. We are excited about the student participation and involvement. One such event is our Annual Youth Tailgate Party on Wednesday, October 16, from 6:30-8:30 p.m. in the South Main parking lot!

One of our most popular Student Ministry activities is "Destination Unknown," held once a quarter. Students are taken to a mystery location and a brief message from God's Word is shared.

During our most recent trip (shown here in the photo), students stood on the Armand Bayou bridge overlooking the water and learned that Jesus is the bridge between humanity and God. It was a great illustration of how sin separates us from God, but that because of Jesus' sacrifice on the cross, we can have a relationship with God.

What a great visual analogy it was! The water the bridge covered represented sin, and according to the park signs contained dangerous elements such as snakes and even alligators. We learned many valuable lessons and had a lot of fun in the process!

I am excited and encouraged about our SMBC Student Ministry. As always, I appreciate your continued prayers and support!

RON'S REJOICINGS

IN THE BEGINNING GOD

Those are the incredible words with which the Book of Genesis and thus the entire Bible begins. The Bible then proceeds to assert the marvelous creative work of God. The Scripture declares that the only uncreated person or the only "charter member" of the Universe was the Triune God, the one we know as God the Father, God the Son, and God the Holy Spirit.

The family of faith known as the South Main Baptist Church of Pasadena, Texas, had her moment of beginning, the creation of her institutional existence, on May 12, 1954. The ones who were prayerfully led by God to begin South Main did so as a part of a decision to remain at 224 South Main after the First Baptist Church voted to relocate to a new address on Tatar (now Pasadena Boulevard).

South Main Baptist Church had its beginning with over 500 charter members. Some of those charter members who initiated a new congregation when they chose not to relocate were still part of our fellowship when we did choose to relocate to the Beltway/Keith address during a three year process, 1989-1992. We celebrated our Fiftieth Anniversary as a body of Christ called South Main in May of 2004. The picture below shows the charter members who were present on that occasion.

South Main turned 65 years old this year. Year after year Jesus welcomes our charter members into his presence; consequently, we have only twenty charter members who are still members of our congregation today. We thank God for the vision of this group and their faithfulness to our Lord and this church over many years. We will express our gratitude to this group by honoring them on Sunday morning, October 20. That Sunday is the anniversary Sunday of our very first worship service at this Beltway location on October 18, 1992.
