

To **MULTIPLY** is to increase greatly in number or quantity. As Jesus followers, we are called to some vital tasks: to love God with all our heart, soul, and mind, and to love others as ourselves (Matt. 22:37-39), to go and make disciples of all nations (Matt. 28:19), to train ourselves to be godly through sound biblical teaching (1 Tim. 4:7 & 2 Tim 3:16), and to have quality fellowship with other believers (Acts 2:42). We believe one way these distinctives can be fulfilled is through active participation in small groups.

At South Main, we call our small groups *Sunday School classes*. Listed in this handout are all of our adult Sunday School groups, each with their own unique characteristics and personalities. Classes are open to all people. We are providing each group's description to better help you find a class that matches your own uniqueness. The three color groups (Red, Blue, and Green) identify average age brackets. Classes start at 9:30 am and finish by 10:30 am on Sunday mornings.

We encourage you to find one that fits you. Get involved, and multiply by inviting others to join too!
