Por medio de la presente, con mucho gusto me tomo este momento para agradecerle de corazón el tiempo, esfuerzo y voluntad de llevar alimentación hasta mi apartamento. Su capacidad y colaboración son muy importantes, ya que ponen en riesgo su salud para poder recaudar y donar alimentación a las familias mas necesitadas ante esta emergencia de coronavirus.

Muchas gracias. Que Dios les fortalezca y les bendiga grandemente.

No temas,
pues yo estoy contigo
no mires con
desconfianza, pues
yo soy tu Dios, yo
te he dado fuerzas,
he sido tu auxilio,
y con mi diestra
victoriosa te he
sostenido.

Sinceramente,

Thank you Note

Hello Rooftop Ministries!

I just wanted to take the time to tell you how much we appreciate your support of our families during this time of uncertainty. Hebrews 10:24 guides us on how we should encourage one another and you all always bring this verse to life with action time and time again. Our district is so lucky to have you as a partner to help our families find comfort knowing someone cares about them in a holistic manner.

THANK YOU!!

Pandemic Relief-Appreciation

Dear Roof Top Ministries:

The requests for assistance from families can sometimes be overwhelming due to hours that have been cut from work, layoffs, or families that have used rent money for food all due to stay at home policy and Coronavirus Pandemic, even death in families in the last three weeks. The assistance you have provided for 43 families have given families and even staff that have referred families for the assistance, much HOPE when there have been several agencies that are not available to assist due to the virus and lack of volunteers. Thank you so much for the gifts cards to families and food. It is difficult for children to learn if their basic needs are not met. Thanks again for the relief you have provided. May God bless your heroism to deliver help to so many needy families in our district.

"Hello beautiful families I hope you are having a magnificent day. My name is Eddye Rodriguez and I have 3 children. One is named Kamila but likes to be called Kamilita and she is 5 years old. Luciano is 1 yr old and the little one is named Dulce Luna and she is 3 months old. On behalf of all of us we would like to thank you a thousand times for opening your hearts and volunteering and helping us with food and the gift card. You all have been like angels for us because I have not worked since December 2019 and I had my daughter, Dulce Luna, in January. We have been surviving off of money borrowed to me by my friends. My children were very happy when I took them to the store hahaha because they wanted to put everything in the cart, and the first thing they grabbed was the watermelon and a bag of chocolates. Here I will share with you photos of the goods we bought with the gift card. I wish you infinite thank yous and hope God will recompense you immensely. I hope to one day get to meet you. Without much else to say have a blessed day.

Signed: Eddye, Kamila, Luciano, Dulce Luna"
